

**THE PUBLIC IS INVITED
TO A WORKSHOP FOR THE
SOUTH BEACH RESTROOM PROJECT**

MONDAY, DECEMBER 5, 2011

4:00-6:00 PM

ROEDER PAVILION

The public is invited to participate in a workshop to discuss the design of a public restroom to be located south of the Hotel del Coronado at South Beach.

City staff and the architect will make a brief presentation of a conceptual plan for the restroom, followed by an opportunity for the public to come forward and speak one-on-one to express opinions regarding the proposal. Upon completion of the open forum, staff will reconvene the workshop and review with the participants the opinions expressed to create a consolidated list of responses. These responses will be used to modify the design in response to the public's comments.

City of Coronado contact: Bill Cecil – 619-522-7314
